A screenshot of a Tokopedia search results page. The search bar at the top shows "Cari baju anak laki laki". Below it, there are search filters for "Iphone 12 Mini", "Mechanical Keyboard", "Laptop Gaming", "Batik Pria", "Gitar Akustik", and "Rtx 3080". The main content area displays a grid of products based on the search query. The first item is a Samsung washing machine from the "SAMSUNG Official Store" with a price of Rp5.322.525. The second item is a Keychron K6 keyboard from "PRIM Mechanical Gaming Ke...". The third item is another Samsung washing machine from "MegaElectrodeals" with a price of Rp3.449.000. Each product listing includes a small image, the store name, the product name, the price, a discount percentage, the location (Jakarta Barat), and the rating (e.g., 4.8, 5.0).
